Mayoral Message

Dear Residents

I am looking forward to the Easter break this weekend, a time for family, friends and reflection.

The Easter story has relevance for all of us within our multicultural community. So, let's take advantage of this opportunity to stop and reflect on the Easter message of hope, love and peace.

May we be inspired and reminded of the responsibility we have to each other, our families, friends and the vulnerable people in our communities.

While Easter is a perfect time to gather with family outdoors, at one of the City's many parks and reserves, please take care on our roads which are traditionally busy at this time of year. Also, double demerit penalties apply from **6-10 April** inclusive.

We've planned more than 60 different activities to help keep children and young people

entertained these autumn school holidays. From slime-making and pyjama parties to skateboarding and cycling clinics, there's something for kids with all interests.

Check out the program and join us these school holidays at **cb.city/SchoolHolidays**

Also please remember, while Council's Customer Service Centres may be closed from Good Friday (**7 April**) through to and including Easter Monday (**10 April**), you can still call Council at any time on **9707 9000**.

From everyone here at Council, we wish you a very safe and enjoyable holiday break with family and friends.

Yours sincerely,

Clr Khal Asfour
MAYOR
